“Exploring New Horizons for Islamic Sciences in the Contemporary Era ”

CALL FOR PAPER

1st International Conference On Contemporary Islamic Sciences (ICCIS)

Introduction:

Welcome to the 1st International Conference on Contemporary Islamic Sciences! This conference aims to bring together scholars, researchers, and experts from around the world to explore and discuss the significance and relevance of Islamic sciences in the contemporary era. It provides a unique platform for intellectual dialogue, collaboration, and the exchange of ideas among individuals interested in the intersection of Islamic teachings and contemporary scientific advancements.

Objectives:

- Foster Intellectual Dialogue
- Promote Collaboration
- Showcase Research and Innovations
- Bridge the Gap between Tradition and Modernity

Conference Tracks:

The conference will feature various tracks, including but not limited to:

- Islamic Perspective on Banking, Economics, Entrepreneurship, and Finance
- Islamic Perspective on Education and Social Sciences
- Islamic Perspective on Environmental Sciences and Sustainable Development
- Islamic Perspective on History and Civilization
- Islamic Perspective on Information Technology
- Islamic Perspective on Media, Digitalization and Religion
- Islamic Perspective on Trends of Character Building and Ethics
- Islamic Perspective on Medical and Health Sciences
- Islamic Perspective on Interfaith Harmony and Unity
- Islamic Perspective on Jurisprudence and Law
- Islamic Perspective on Leadership and Politics
- Islamic Perspective on Ideology of New Atheism

Participants are encouraged to submit abstracts and full papers related to these tracks, contributing to the intellectual discourse in their respective areas of expertise.

Abstract submission deadline: 15th Aug, 2024
